

ADVERTISEMENT TO BID

Sealed bids addressed to the Board of Directors, Otay Water District (District), will be received for the **Steele Bridge SPS Wet Well Improvements (CIP R2118)** at the office of the District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004, until **4:00 PM local time, on January 23, 2018**, and at that time bids will be publicly opened and read.

The general scope of work to be performed at the Steele Bridge Sewage Pump Station (SPS) includes the removal and disposal of the wet well top slab, a replacement concrete top slab with access hatches and hand holes, furnishing and installing of a new stainless steel wastewater bar screen with grouting, wet well interior coating and all other appurtenant and associated Work in accordance with the Contract Documents. The engineer's estimate is \$50,000.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

- No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

The District is using BidSync, an online bid solicitation website, for electronic distribution of Bid Documents. Bidders must register online with BidSync at <http://www.bidsync.com> to participate in this procurement. There is no cost associated with registering. All documents and information related to this procurement are on the BidSync website under the bid name **Steele Bridge SPS Wet Well Improvements (CIP R2118)**. Once registered, bidders can view and download information regarding this procurement, including the bid and Contract Documents, as well as submit questions related to the bid and contract documents. The District will only respond to questions submitted on BidSync. A plan holders list, to be updated at least weekly, can be downloaded from the Otay Water District's website, Engineering Bids page at <http://otaywater.gov/engineering-bids/>.

Dated this 12th day of December, 2017.
