FOR
ENGINEERING CORROSION SERVICES**

The Otay Water District will require the services of an engineering consulting firm to provide professional services in support of the District's Cathodic Protection Program for a period of two years.

Interested candidates are required to send a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to **Jeff Marchioro, P.E., Otay Water District, 2554 Sweetwater Springs Boulevard., Spring Valley, California 91978-2004** or via e-mail to jeff.marchioro@otaywater.gov. If a firm has submitted a SOQ to the District within the calendar year and the qualifications remain current and accurate, then only a LOI is required. RFP materials will be e-mailed to qualified firms within the next business day after confirmed receipt of the LOI and SOQ.

Deadline to submit the LOI and SOQ will be at 4:00 P.M., Monday, February 6, 2017. All questions should be referred to the Otay Water District Project Manager, **Jeff Marchioro, P.E.**, at **(619) 670-2725**.

Dated this 30th day of January, 2017.
